

ACADEMIC EVALUATION

June 20, 2022

Name: **SATYA VEERA VEMISETTI**

Institution: Osmania University
Degree: Bachelor of Engineering
Date of Award: 2016
Country: India

Academic Equivalent in the United States:

BACHELOR OF SCIENCE IN COMPUTER SCIENCE

Graduation from high school and competitive entrance examinations are required for admission and enrollment in Osmania University; Osmania University is an accredited institution of higher learning in India. Following enrollment in the University, Satya Veera Vemiseti completed academic coursework, and in 2016, completed examinations and was awarded a Bachelor of Engineering. The diploma is evidence that Satya Veera Vemiseti completed the required four years of coursework for candidates for the Bachelor of Engineering.

Satya Veera Vemiseti completed specialized coursework in their area of concentration, Computer Science and Engineering, which leads to a degree from the University. Additionally, Satya Veera Vemiseti completed a general studies curriculum, which includes coursework in English, Mathematics, the Sciences, and the Social Sciences. The courses completed and the number of credit hours earned indicate that Satya Veera Vemiseti satisfied requirements substantially similar to those required toward the completion of academic studies leading to a university degree from an accredited institution of higher education in the United States.

On the basis of the credibility of Osmania University, the number of years of coursework, the nature of the coursework, the grades earned in the coursework, and the hours of academic coursework, it is the judgment of Park Evaluations that Satya Veera Vemiseti has attained the equivalent of a Bachelor of Science in Computer Science from an accredited institution of higher education in the United States.

This evaluation relies upon copies of the original documents provided by Satya Veera Vemiseti and represented by Satya Veera Vemiseti to be authentic and true copies of those documents. There are no apparent grounds for us to disbelieve the authenticity of the documentation presented to Park Evaluations on behalf of Satya Veera Vemiseti. We represent the foregoing to be an accurate and correct evaluation to the best of our knowledge and belief,

pursuant to requirements of the United States Citizenship and Immigration Services (USCIS) of the United States Department of Homeland Security (DHS).

Park Evaluations evaluates academic and experiential credentials and specializes in the evaluation of foreign educational credentials.

Howard Borenstein
Evaluator

Mr. Howard Borenstein, B.A. Mathematics & Physics, Yeshiva University; M.A. Mathematics, Queens College; Ph.D. Candidate Mathematics, CUNY Graduate Center; Evaluator, Park Evaluations. *See attached resume for detailed statement of evaluator's qualifications.* (22025085)

EDUCATION

B.A. Mathematics and Physics, 2000
Yeshiva University

M.A. in Mathematics, 2007
Queens College of the City University of New York

Ph.D. Candidate, 2007-Present
CUNY Graduate Center

RESEARCH

Currently researching probabilistic methods for studying problems in Additive Number Theory.

EXPERIENCE

Howard has more than 6 years of experience evaluating foreign academic credentials.
